I Leave Again (Japanese Wallpaper Remix)

Petit Biscuit & Shallou

[Verse 1: Petit Biscuit]
The sky's so cold, I feel you slow
Your mind is not like it was before
I?delete?all, put thoughts?on hold
I try to feel you
But?you are gone
The fire's cold inside your soul
I feel the weight, of what we were
I delete all, put thoughts on hold
I try to feel you
[Verse 2: Shallou]
(Ooh, ooh, ooh)
Your eyes were bright
I felt the shine
Miss the Summers we used to hide
The city lights on this blue night
You used to tell me that it's alright[Bridge: Shallou]
I chill my bones, out in the cold
Walk the pathways we used to know
These quiet towns we'll leave behind
I try to feel you
[Chorus: Petit Biscuit]
(Ooh, ooh, ooh, ooh)
There's no need to stay
So it's time to take a chance
I don't want to explain to my friends I leave again
[Refrain: Petit Biscuit]
I leave again
And I leave again
I leave again
And I leave again
I leave again
(There's no need to stay)
(So it's time to take a chance)
And I leave again
(I don't want to explain
To my friends, I leave again)[Chorus: Petit Biscuit]
(Ooh, ooh, ooh, ooh)
There's no need to stay
So it's time to take a chance
I don't want to explain

To my friends, I leave again
