

# Outside the Rain

Stevie Nicks

Outside the rain  
The heart skips a beat  
Are you lonely  
Creature of the night  
It's been almost a week  
Could you love me only Look at me, for a very long time  
Long enough to know  
Love is a word I've been trying to find  
Words don't matter  
They don't matter at all Maybe it's only a dream  
I don't want to feel that  
Well it's one more link in the chain  
I don't believe that  
So you're still lonely  
You say that it's been forever  
Maybe you never knew me  
Maybe you thought that  
I'd never change  
But you know I'm changing  
You're wrong  
And it's been like dying  
No love's that hard to find  
And I'm tired of,  
And I'm tired of trying Outside the rain  
And the heart skips a beat  
So you're lonely  
Look in my eyes  
touch my face  
Baby, there's no one  
That can take my place  
Look in my eyes  
Touch my face  
Baby, there's no one that  
Can ever replace that heartache  
Take away that heartache Love is a word that some entertain  
If you find it  
You have won the game Somebody said  
Outside the rain
