The Void

Andy Black

This ship has passedWe burn down the pastLike ghosts drift to ashYour photograph
Is all that lasts
There's no turning backNow I'm all alone
The future unknown
Got no where to go
But I'll survive
The loneliest nights
Won't give up the fight
Through the void
Through the void
Through the endless void
I march on and on and on and on without you
Hear the voice
Hear the voice
Of the hearts destroyed
I march on and on and on and on without you
And I'll keep singing our song
till tomorrowThe emptiness
It kills like a kiss
The violent abyss
Fair well again
we've come to an end
I'll miss you my friend(Carry on, carry on)
Through the void
Through the void
Through the endless void
I march on and on and on and on without you
Hear the voice
Hear the voice
Of the hearts destroyed
I march on and on and on and on without you
And I'll keep singing our song
Till tomorrowHow can I carry on, carry on without you? (Oh)
(Carry on, carry on)We failWe fallJust keep walking through it allGotta give another dayYou're hereYou're goneBut I have to move alongUntil the darkness stars to fadeWe failWe fallJust keep walking through it allGotta face another dayWon't give up the fightThrough the void
Through the void
Through the endless void
I march on and on and on and on without you
Hear the voice
Hear the voice
Of the hearts destroyed

I march on and on and on and on without you
And I'll keep singing our song
Till tomorrowHow can I carry on, carry on without you?
How can I carry on, carry on without you?
How can I carry on, carry on without you?
How can I carry on, carry on without you?
