Trebles Finals: Bright Lights Bigger City/Magic

The Treblemakers

[Jesse]
I've been living for the weekend
But no not anymore
Cause here comes that familiar feeling
That Friday's famous forYeah I'm looking for some action
And it's out there somewhere
You can feel the electricity
All in the evening airAnd it may just be more of the same
But sometimes you want to go
Where everyone knows your nameSo I guess I'll have to wait and see
But I'm just gonna let something
Brand new happen to me
And it's alright (it's alright)
It's alright, it's alright, it's alright
Bright lights in the big city
It belongs to us tonight
(Everybody) Tonight[Benji]
I've got the magic in me
Every time I touch that track
It turns into gold
Now everybody knows
I've got the magic in me
When I hit the floor
The girls come snapping at me
Now everybody wants some presto
Magic
[Donald (rap)]
These tricks that I'll attempt
Will blow your mind
Pick a verse, any verse
I'll hypnotize you with every lineI'll need a volunteer
How 'bout you
With the eyes
Come on down to the front
And sit right here and don't be shySo come one, come all
And see the show tonight
Prepare to be astounded
No ghost or poltergeistYou know I'm no Pinnochio
I've never told a lie
They call me Mr. Magic Man

I float on cloud nine[All 3]
I've got the magic in me
(I've got the magic baby)
Every time I touch that track
It turns into gold
(Oh yes, it turns to gold)
Everybody knows I've got theMagic {x9}
(Donald: Come on clap your hands)Awoooooo
I've got the magic in me!
