World's On Heroin

All

the world's on heroin
i'm on strike against all this laziness
from the government to
despite all the underachievers
the drive thru guy
i try to go for all
my only guess they must be high
delayed results with no reasons why
i want to put an end to all of them
cause i'm pretty sure
but i don't know where to begineverybody is standing in my way
the world's on heroin
i try to use my brain but stupidity
is thrown in my face
and the world keeps turning at a turtle's pace
i'm a coffee guy in a stoner place
get it over with check into n.a.
but i don't know where to begin
i want to put an end to all of themcause i'm pretty sure
the world's on heroinif i had my way i'd prefer
i'm so sick of the no can do
if everyone was on speed
and the failures you concede
at any rate from the looks of things
everyone's nodding out but methe world's on heroin
the world's on heroin
too many lazy morons in my face
everybody acts like a zombie
i'm not saying that i'm better than them
with slacker types trying to be my friend
i don't have the kind of time to spend
i want to put an end to all of thembut i don't know where to begin
cause i'm pretty sure the world's on heroin
yeah i'm pretty sure the world's on heroin
heroin
