You're Still the One

Shania Twain

(When I first saw you, I saw love.
And the first time you touched me, I felt love.
And after all this time, you're still the one I love.)Looks like we made it
Look how far we've come, my baby
We mighta took the long way
We knew we'd get there somedayThey said, "I bet they'll never make it."
But just look at us holding on
We're still together, still going strong(you're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(you're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good night
Ain't nothing better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missingThey said, "I bet they'll never make it."
But just look at us holding on
We're still together still going strong(you're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(you're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good nightYou're still the one
(you're still the one)
You're still the one I run to
The one that I belong to
You're still the one I want for life
(you're still the one)
You're still the one that I love
The only one I dream of
You're still the one I kiss good nightI'm so glad we made it
Look how far we've come, my baby
