

# Catch Me

Demi Lovato

Before I fall  
Too fast  
Kiss me quick  
But make it last  
So I can see  
How badly this will hurt me  
When you say goodbye Keep it sweet  
Keep it slow  
Let the future pass  
And don't let it go  
But tonight  
I could fall too soon  
To this beautiful moonlight  
But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
But please don't catch me See this heart  
Won't settle down  
Like a child running  
Scared from a clown  
I'm terrified  
Of what you'd do  
My stomach screams  
Just when I look at you  
Run far away  
So I can breathe  
Even though you're  
Far from suffocating me  
I can't set my hopes too high, 'cause  
Every hello ends with a goodbye But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
But please don't catch me So now you see  
Why I'm scared  
I can't open up my heart  
Without a care  
But here I go  
It's what I feel

And for the first time in my life  
I know it's real But you're so hypnotizing  
You've got me laughing while I sing  
You've got me smiling in my sleep  
And I can see this unraveling  
Your love is where I'm falling  
So please don't catch me  
If this is love please  
don't break me  
I'm giving up so  
Just catch me
