Mamacita (feat. Marcos Hernandez)

Baby Bash & Marcos Hernandez

Yeah, yeah, mamacita chicanita in a fly way
Ronnie Ray, what is it?Mamacita, mamacita)
Pensando en ti como yo te quiero, te quiero
Mi corazon es para ti yo te espero, te espero
Cuando estas conmigo nunca tienes miedo
(Oh, baby, baby, baby)
Un dia vas a ver quien es el mejor, oh, oh, mamacita, mamacitaMy mamacita got it goin' on, poppin' the most
Like papparazi when they watch me and her hop in the low
No destination but we racin' in the drop on some chrome
I know you heard it all before but I'm your rock and your stone
(It feels right)
Me and you sharing a star
(It's real tight)
And nothing's gonna tear us apart
(So true)
I'm feelin' like I'm heavenly blessed
(What it do?)Me and you to put the love to the test
It's so crazy when someone understands your mood
With and open invitation that I can't refuse
Girl, you never have to worry when my hands with you
Cherry pie, it's so bomb and I can't diffuseMamacita, mamacita
Pensando en ti como yo te quiero, te quiero
Mi corazon es para ti yo te espero, te espero
Cuando estas conmigo nunca tienes miedo
(Oh, baby, baby, baby)
Un dia vas a ver quien es el mejor, oh, oh, mamacita, mamacita
I can be your other half, baby, I'm yo soul mate
I can keep you cozy 'cus you know that you're my shorty
Seem like you're the only real one who really know me
So this song is dedicated to my one and onlyAn angel with them eyes and them honey butter thighs
Tryna figure out bout her wedding ring size
I can be yo lover, baby, yo best friend
And momma when we ride we gone ride to the end'Cus I know just what you need
You need some high definition in yo life
I know what's on yo mind
And I'll be patient, I'll be waiting for a very long timeMamacita, mamacita
Pensando en ti como yo te quiero, te quiero
Mi corazon es para ti yo te espero, te espero
Cuando estas conmigo nunca tienes miedo
(Oh, baby, baby, baby)

A chief like myself need a lil Pocahontas
