

Never Be Lonely (feat. Amber Riley)

[Eric Bellinger](#)

Oh, whoa
Here you go again, complaining
You claiming, I'm outta line.
Here you go again, you say I'm spending
All my money, but not my time.
Didn't I say say I'd be back tomorrow.
Didn't I say I ain't seen your call.
Didn't I baby, didn't I, didn't I.
Didn't I say I would make it up,
Didn't I say I would -- it up, girl.
You know I did, what you talking bout? I get so lonely. (Eric: Girl you trippin')
Can't wait for you to come home, babe.
You are the one that made me feel like this.
I should never be lonely.
How could you get so lonely, girl?
When you know I'm doing it for you.
You are the one, thought I lived inside your heart.
You should never be lonely. You say I never, should lonely.
And that I'm your one and only.
But the only time you ever seem to come around.
Is when I'm yellin', fussin', screamin' or I'm wildin' out. Didn't I say say I'd be back tomorrow.
(Amber: No.)
Didn't I say I ain't seen your call. (Amber: Oh.)
Didn't I baby, didn't I, didn't I. (Amber: I don't recall.)
Didn't I say I would make it up,
Didn't I say I would -- it up, girl.
You know I did, what you talking bout? I get so lonely. (Eric: Girl you trippin')
Can't wait for you to come home, babe.
You are the one that made me feel like this.
I should never be lonely.
Tell me.
How could you get so lonely, girl?
When you know I'm doing it for you.
You are the one, thought I lived inside your heart.
You should never be lonely. Oooh. (Eric: Oh why?)
Oooh. (Eric: Oh why?) I don't want no one but you. Oooh. (Eric: Oh why?)
Oooh. I should never be lonely.
