Postcards from Paraguay

Mark Knopfler

One thing was leading to the next
I bit off more than I could chew
I had the power to sign the checks
It wasn't difficult to doI couldn't stay and face the music
So many reasons why
I won't be sending postcards
From Paraguay
From Paraguay
From Paraguay
I robbed a bank full of dinero
A great big mountain of dough
So it was goodbye Campanero
And cheerioI couldn't stay and face the music
So many reasons why
I won't be sending postcards
From Paraguay
From Paraguay
From ParaguayI never meant to be a cheater
But there was blood on the wall
But I had to steal from Peter
To pay what I owed to Paul
I couldn't stay and face the music
So many reasons why
I won't be sending postcards
From Paraguay
From Paraguay
From Paraguay
Paraguay
