Long-Legged Guitar Pickin' Man

Johnny Cash & June Carter

Well I'm gonna start out walkin' just you wait and see
Uh-huh guitar picker you ain't leavin' without meOh you big mouth woman you long legged guitar pickin' man
But we can work this out uh huh yes ma'm I think we canWell I stole the Hope diamond hopin' I could shut your mouth
But how am I gonna wear it if I got to hide it outWell you big mouth woman...
[guitar]
Well I bought you a first class ticket for a luxury liner cruise
I got out in that ocean looked around and there was youOh you big mouth woman...I bought you a big long limousine but I don't want no car
I gave my love and everything but you're still what you areYou're just a big mouth woman...
Oh honey I love that big sweet mouth you a long legged guitar pickin' man
Ha ha I'm gonna pick it for you now you a nice guitar pickin' man
