Let It Rock

Kevin Rudolf

I see your dirty face
High behind your collar
What is done in vain
Truth is hard to swallow
So you pray to God
To justify the way you live a lie
Live a lie
Live a lieAnd you take your time
And you do your crime
Well you made your bed
I made mine
Because when I arrive
I, I bring the fire
Make you come alive
I can take you higher
What the saints forgot
I must now remind you
Let It Rock
Let It Rock
Let It Rock(2: Kevin Rudolph)
Now the son's disgrased
He, who knew his father
When he cursed his name
Turned, and chased the dollar
But it broke his heart
So he stuck his middle finger
To the world
To the world
To the world
And you take your time
And you stand in line
Well you'll get what's yours
I got mine(...)
Just Let It Rock
Let It Rock
Let It Rock
Let It Rock
Let It Rock
(Kevin Rudolph)
I wish I could be
As cool as you
And I wish I could say

The things you do
But I can't and I won't live a lie
No not this time
