I'll Keep Ramblin' (feat. Robert Randolph)

Blackberry Smoke

Solid gold watch in my front pocket
Hangin' on a shiny diamond tree
John B. Stetson hat that I am wearin'
Just to keep my head out of the rain
Big, fat road of borrowed money
Twenty-five years of borrowed time
Ain't no tellin' where I'm goin, baby
Let me tell you, that suits me just fineNothin' can hold me still for too long
I sing a trav'lin' song
Can't put a thing on a stone when it rolls
Believe I'll keep ramblin' on and on
I don't play with just one mama
I got all of 'em in the game
Hollywood to New York City
You best believe they know my name
Wide open is the way I'm trav'lin'
All-in is the only way I bet
You can tell me Home is where the heart is, mama
But I'll tell ya I ain't found mine yetNothin' can hold me still for too long
I sing a trav'lin' song
Can't put a thing on a stone when it rolls
Believe I'll keep ramblin' on and on
Yeah
Well I'm on my way (I'm on my way)
I'm on my way (I'm on my way)
Well I'm on my way (I'm on my way)
I'm on my way (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
Well I'm on my way (I'm on my way)
Well I'm on my way (I'm on my way)
Well I'm on my way (I'm on my way)
Well I'm on my way (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
I got to keep on ramblin' (I'm on my way)
Well I'm on my way (I'm on my way)
Well I'm on my way (I'm on my way)Nothin' can hold me still for too long
