

# Saturday Night's Alright for Fighting

[Elton John](#)

It's getting late have you seen my mates  
Ma tell me when the boys get here  
It's seven o'clock and I want to rock  
Want to get a belly full of beerMy old man's drunker than a barrel full of monkeys  
And my old lady she don't care  
My sister looks cute in her braces and boots  
A handful of grease in her hairDon't give us none of your aggravation  
We had it with your discipline  
Saturday night's alright for fighting  
Get a little action in  
Get about as oiled as a diesel train  
Gonna set this dance alight  
'Cause Saturday night's the night I like  
Saturday night's alright alright alrightWell they're packed pretty tight in here tonight  
I'm looking for a dolly who'll see me right  
I may use a little muscle to get what I need  
I may sink a little drink and shout out "She's with me!"A couple of the sound that I really like  
Are the sounds of a switchblade and a motorbike  
I'm a juvenile product of the working class  
Whose best friend floats in the bottom of a glassDon't give us none of your aggravation  
We had it with your discipline  
Saturday night's alright for fighting  
Get a little action in  
Get about as oiled as a diesel train  
Gonna set this dance alight  
'Cause Saturday night's the night I like  
Saturday night's alright alright alrightSaturday (X9) Nights alright (X4)
