Platinum Fire (feat. Terrace Martin)

Arin Ray

Just what I had in mind
The perfect colour
You had your hand over mine
You had your hand over time
You and IWhat I had in mind
Just what I had in mind
just what I had in mind
Just what I had in mind
just what I had in mind
Oooooh...Just what I had in mind
The perfect colour
You had your hand over time
You and I
What I had in mind
Just what I had in mind
Just what I had in mind
The perfect colour
You had your hand over time
You and I
had in time
