I Feel Home

O.A.R.

There are few things pure in this world anymore,
and home is one of the few.
We'd have a drink outside,
maybe run and hide if we saw a couple men in blue.
But to me it's so damn easy to see
that you people are the people at home.
Well I've. been away but now I'm back today,
and there aint a place I'd rather go.I feel home,
when I see the faces that remember my own.
I feel home,
when I'm chillin outside with the people I know.
I feel home,
and that's just what I feel.
Home to me is reality,
and all I need is something real.
Feelin alright, headin out tonight,
maybe off to a dark driveway.
I say now some feel bored,
and some are lookin for more.
Well, we all just decide to stay.
We got nothin to do,
and I look at you
I see something that I know and love.
and with the crack of a smile we all stay a while
we know from home there aint nothing above.Well in the end we can all call a friend
well that's something I know as true.
And then a thousand years and a thousand tears
I'll come back to my original crewcuz to me throughout eternity
there's somewhere where you're welcome to go
I said it's something free that means a lot to me
when I'm with my friends I feel home.
I feel home,
when I see the faces that remember my own
I feel home,
when I'm chillin outside with the people I know.
I feel home,
and that's just what I feel.
because home to me is reality,
and all I need is something real
Home to me is reality,
and all I need is something realI feel home.
