Falling

Amerie

[Chorus]
Can I give you my trust?
I'm falling
Can I give you my thoughts?
I'm falling
If I give them to you
I'm falling
Will you know what to do?
I'm falling[Verse 1]
Hey understand I'm not used to letting go
Once in my past, I told myself I'd never lose control
But you're not to blame, so please don't ever change
And forgive me if I, I hesitate
(Over and over and over again)
I'm scared to lose
(Over and over and over again)
That's why I'm asking you[Chorus]
Can I give you my trust?
(oooh)
I'm falling
Can I give you my thoughts?
(ohhh)
I'm falling
If I give them to you
(can I give them babe)
I'm falling
(oooh can I give them babe)
Will you know what to do?
I'm falling
[Verse 2]
Now I know that you say you'll never do me wrong
And I do believe right here is where I belong
But I'm scared to move
(I don't know, I don't know, don't know)
Said I don't know what to do
(I don't know, I don't know, don't know)(Over and over and over again)
Hey, see I'm so scared to lose
(Over and over and over again)
That's why I'm asking you baby[Chorus]
Can I give you my trust?
(Don't you know it baby)
I'm falling

(hey)
Can I give you my thoughts?
(said I wanna let go)
I'm falling
(but I'm scared to let go)
If I give them to you
(ohhh)
I'm falling
(boy will you know)
Will you know what to do?
(I'm falling)
I'm falling[Bridge]
Everything that you said
Like how your life has changed
Everything that you do
(yeah)
You didn't think you had in you
Three years ago
(oooh)
We didn't think that this could be true
(how could we know it baby)
Now my heart, my life,
my everything is you
(my everything is you)[Chorus]
Can I give you my trust?
I'm falling
(ohhh)
Can I give you my thoughts?
(hey)
I'm falling
If I give them to you
(if I give it to you)
I'm falling
(will you know what to do)
Will you know what to do?
(whoo)
I'm falling[Chorus]
Can I give you my trust?
(I wanna say baby)
I'm falling
(we were meant to be)
Can I give you my thoughts?
I'm falling
(ohhh, yeah)
If I give them to you
(I need to know baby)
I'm falling
(that you'll be there for me)
Will you know what to do?

(ohhh)
I'm falling(but you know that I...)
I don't know, I don't know, don't know
I'm falling [8x]I don't know, I don't know, don't know
I don't know, I don't know
