

Shook

Tkay Maidza

Switch it up, move when you get it up
Switch it up, move when you work it out
Switch it up(Yeah)These mans, yeah I got 'em all shook
Earthquake, yeah I got 'em all shook
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shook
These mans lookin' at me all shook
Talk about it but they never gon' do it
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shook
These bitches skeptic on a higher metric
Then these frauds tryna fit in, got 'em playin' tetris
I go by the name written on my necklace
Never been about the games unless he want a death wish
First come, first serve basis
Two up, flip to a racist
I Billie Jean, niggas tryna get in my fraction
I Jackson, puttin' him to bed with the napkinPlatinum plaques, come in dreams like I'm Malcolm
Big ass gems, goin' forward in a Falcon
Came into the biz, hit 'em with them boydem
And I made the city pop, now I am the study quiz
These mans, yeah I got 'em all shook
Earthquake, yeah I got 'em all shook
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shook
These mans lookin' at me all shook
Talk about it but they never gon' do it
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shookJust got the Jeep lock
Fitted lookin' pish-posh
I be in my bag, I don't dance around TikTok
Gold on my wings, like I'm Huckleberry Finn
Don't let the bubble poppin' all up in the wind
Flow paraffin, hoes I convert
House in the 'burbs, I flip the bird
I flip the words, slump with the guns
Pitta pop a question, couldn't get me on the run like, oohPardon me, don't really care
Pardon those in my DM's, I be lookin' MIA
Intuition with the vision, see my future really clear
I'm strapped in the seat, vroom-vroom and I'm there
I swerve (I swerve)
I'm bitches, why they even got nerve? (Got nerve)

Outside they be lookin' like squirrel (like squirrel)
No time for a hater, I skrr, ching if you got to
I pull up my skirt These mans, yeah I got 'em all shook
Earthquake, yeah I got 'em all shook
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shook (shook)
These mans lookin' at me all shook
Talk about it but they never gon' do it
I came, I don't play by the book
Yeah I make the bands, yeah I got 'em all shook (shook) Go there, I got you hooked
I'm not lettin' you take no look
These mans, yeah I got 'em all shook
These mans, yeah I got 'em all shook
Go there, I got you hooked
I'm not lettin' you take no look
These mans, yeah I got 'em all shook
These mans, yeah I got 'em all shook (shook) Pap-pap, pa-pa-ra-pap
Pa-pa-ra-pap
Pa-pa-ra-pap (oh shit)
Pap-pap, pa-pa-ra-pap
Pa-pa-ra-pap
Pa-pa-ra-pap (oh shit)
Pap-pap, pa-pa-ra-pap
