tutututuut
Tu Tu Tu Tu
Tu Tu Tu Tu
Blidness Blidness
Look down!
Look down!
Can't see me, under reason for you blidness.
They try this, but I'm too classy for your alliance.
Double c*ock suck, that's the reason why I'm like this
Look down!
Can't see me, under reason for you blidness
They try this, but I'm too classy for your alliance.
Double c*ock suck, that's the reason why I'm like this
Like this Double c*ock suck, that's the reason why I'm like this
Look down!
Can't see me, under reason for you blidness.
They try this, but I'm too classy for your alliance.
Double c*ock suck, that's the reason why I'm like this
Like this Double c*ock suck, that's the reason why I'm like this
