Crawl Through Knives

In Flames

The black hole
Forever mine
I need the fear
Push me out
Ohh be brave
Show me signs
Should I feel shame for
The questions that I have?If you could be
The things I need
(I'd crawl through knives
An inch per tear)
These knees
They bleed, for you
(Let the colour persuade
The hate that you fear)
Feed the lie
Force the reason
Leave me in doubt
Need some motivationIt's in my hands
The sky, so bright
It's burning
It's for me to decide
If Flames will reach
Heaven tonight
It's in my handsNailed to the floor
Paralyzed
Emotions drifting
Searching the new
If you could be
The things I need
(I'd crawl through knives
An inch per tear)
These knees
They bleed, for you
(Let the colour persuade
The hate that you fear)It's in my hands
The sky, so bright
It's burning
It's for me to decide
If Flames will reach
Heaven tonightIt's in my hands
The sky, so bright

It's burning
It's for me to decide
If Flames will reach
Heaven tonightIt's in my hands
The sky, so bright
It's burning
It's for me to decide
If Flames will reach
Heaven tonight
It's in my hands
The sky, so bright
It's burning
It's for me to decide
If Flames will reach
Heaven tonight
