

# Sweet Dreams

Emmylou Harris

Sweet dreams, dreams of you  
Every night I go through  
Why can't I forget you and start my life anew  
Instead of having sweet dreams about you You don't love me, it's plain  
I should have known you'd never wear my ring  
I know I should hate you the whole night through  
Instead of having sweet dreams about you Sweet dreams, dreams of you  
Every night I go through  
Why can't I forget you, start loving someone new  
Instead of having sweet dreams about you  
Instead of having sweet dreams about you
