

The Dare

Sofi Tukker

Entre a coisa e o nome, a coisa
Entre o vinho e a taça, o vinho
Entre a boca e o batom, a boca
Entre a mão e a luva, a mão Stare into anyone's eyes for long enough, you might find them
Stare into anyone's eyes for long enough, you might find them Entre a coisa e o nome, a coisa
Entre o vinho e a taça, o vinho
Entre a boca e o batom, a boca
Entre a mão e a luva, a mão
Entre o pé e o salto, o pé
Entre a pele e o pano, a pele
Entre nós, nada Between the thing and the name, the thing
Between the wine and the cup, the wine
Between the skin and the cloth, the skin
Between us, nothing
Stare into anyone's eyes for long enough, you might find them
Stare into anyone's eyes for long enough, you might find them (Find them, find them, find them
Find them, find them, find them)
