Kind of...Sometimes...Maybe

Jessie Ware

Do I get lonely at all?
No, cause Jamie and Johnny and Jack keep me warm
This wasn't my fault
I don't cry, god no I don't cry
Could you just leave it alone
You keep haunting my nights, you keep asking me twice
If I miss you at all
And now like, though I tryOh kind of...sometimes...maybe
Kind of...sometimes...maybe
Oh kinda of...sometimes...maybe
Kind of...sometimes...
Kind of...sometimes...maybe
I'm less afraid of the dark
No bright ideas, I keep the lights on
Are you wasting my time?
And your time, every time
Why you making it hard?
I won't show you my cards, but you came and you lost
Do I want you at all?
Ok, just a bit, I hate to admitOh kind of...sometimes...maybe
Kind of...sometimes...maybe
Oh kinda of...sometimes...maybe
Kind of...sometimes...
Kind of...sometimes...maybeI just sit here and I'm thinking
If I still want you
So why say
Kind of...sometimes...maybe
Kind of...sometimes...maybe
Kind of...sometimes...maybe
Kind of...sometimes...
Kind of...sometimes...maybe
