Next Door to an Angel

Neil Sedaka

Do do do, doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don donI'm living right next door to an angel
And I just found out today
I'm living right next door to an angel
And she only lives a house awayShe used to be such a skinny little girl
But all of a sudden she is out of this world
I'm livin' right next door to an angel
And I'm gonna make that angel mineSince I saw her this morning
I'm on cloud number nine
Found a garden of eden
At the house next door to mine
I took a look and oh what a shock
To find a little bit of heaven right on my block
I'm livin' right next door to an angel
And I'm gonna make that angel mineI can't believe that this is the girl next door
Her funny little face isn't funny no more
Sixteen and oh what a dream
Ain't it strange how she changed into such a lovely angel?Saw her walking down main street
And I couldn't believe my eyes
It used to be such a plain street
But now it's paradiseI'm feel so happy, I'm feelin' so good
I'm the luckiest devil in the neighborhood
I'm livin' right next door to an angel
And I'm gonna make that angel mine
Do do do, doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don don
Doobie bop bop, oh do bop she don don
Doobie bop bop
