What Is He Like

Erik Hassle

Nah.
When I came home, you were still gone
Where did you sleep last night? I called twenty times.
You're lying
I hear people talking
Wait, what?
You can't say it's over
I can't take it
No
What have you done?
It wouldn't be like that, they sayin'
Now it's all i'm thinking about, all day
What is the Life?
Have you spent the night there, yeah?
Tell me now, is he anything, like me?All night long, fighting on the phone
Yeah
You still fuck me over
(Oh no)
You're crying, I'm crying sayin' you want me back darling
I'm too proud for that, you know that
Don't wanna forget all about you, do what i have to do
who to whoever become im my way
no one will ask about you
know better
What have you done?
"It wouldn't be like that" you're sayin'
Now it's all i'm thinking about all day
What is he like?
Have you spent the night there, yeah?
Tell me now, is he anything like me?
So what about us?
(Oh)
Every light you cross,
Do you wanna stop to thinking about us, about me?
Oh, what have you done?
You're leaving me with no one
You're leaving me undone
And it's all I'm thing about, all day
oh, oh, oh, oh oh oh
oh oh oh, oh oh oh
