Speechless

Macy Gray

Sure do like the way it? s going down
With you we could be together for years
And I? m ready to make that move cross that line
With you we could put some joy in each other? s tearsAnd L.O.V.E. don? t sum it up for me
It? s much M.O.R.E. than any word could meanBaby aah,? cause it? s going down
Make me sing, "Lala" when you come around
Make me say, "Oh wee", when you look at me
Baby aah? cause it? s going down and I? m speechlessPracticing all day what to say to you
But it never seems to come out right
Just to know the feeling is so perfect for me and you
And I want to feel it for the rest of my life
And L.O.V.E. don? t sum it up for me
It? s much M.O.R.E. than any word could meanBaby aah,? cause it? s going down
Make me sing, "Lala" when you come around
Make me say, "Oh wee", when you look at me
Baby aah,? cause it? s going down and I? m speechlessOhh it? s for sure, there is love then there is something more
I? m hoping the music can express what I feel when you caress
Do you hear it when I scream your name
When we? re laying?Sure do like the way it? s going down
With you we could be together for yearsBaby aah,? cause it? s going down
Make me sing, "Lala" when you come around
Make me say, "Oh wee", when you look at me
Baby aah,? cause it? s going down and I? m speechless
And L.O.V.E. don? t sum it up for me
It? s much M.O.R.E. than any word could meanBaby aah,? cause it? s going down
Make me sing, "Lala"
? Cause it? s going down and I? m speechless
