

# Bad Girl

## Fantasia

Won't you tell me what did I do  
To make you so nervous like 5-0's been?coming?for you  
Don't mean?to hurt your feelings with the?honest things I sayI can't help it but I ain't into  
playing games  
(No, no I ain't into playing games, no)I'm just a confident, independent, getting in, intelligent  
woman  
And if my confident, independence  
Go and getting in, intelligence scares yaThen I'll be the bad girl  
The one that you really want  
The one that won't settle for nothing  
And make you show just what you're made of  
Yeah, I'll be the bad girl  
The one that you're scared to love  
I'll make you face all your fears then wipe all your tears  
So toughen up and fall for the bad girl, ooh (ha ha)  
I'll be the bad girl, ooh (ha ha)  
I'm just being who I am  
It's not my fault that somehow I make you feel less of a man (Ooh)  
My intention's not to offend  
But I see right through ya pride  
Yes, that's why I look away when I stare into your eyes (eyes)  
Yes I'm sorry, so sorry, so sorryI'm just a confident independent, getting it, intelligent woman  
And if my confident, independence  
Go and getting in intelligence scares ya (scares ya)Then I'll be the bad girl (I'mma be the bad  
girl)  
The one that you really want (that you really want)  
The one that won't settle for nothing  
And make you show just you're made of  
Yeah, I'll be the bad girl (I'mma be the bad girl)  
The one that you're scared to love (that you really love)  
I'll make you face all your fears then wipe all your tears  
So toughen up and fall for the bad girl  
The most only enough to lift you up  
Oh I let you fall unless you're falling in love  
Sooner or later you'll see that having a bad girl is everything you need  
Having a bad girl (Ooh)  
I'll be the bad girl  
(Ha-ha-ha-ha-ha)
