Ribcage

Andy Black

Nothing left, now I'm feeling numb
And just like you, I couldn't love someone
There is no one I can belong toTake you out never bring you back again (back again x2)
Can't recall how we lost our innocence (innocence x2)Nothing in the cage of my ribcage
Got no heart to break, like it that way
Nothing in the cage of my ribcage
Emptiness is safe, keep it that way
Oh oh oh oh oh oh oh oh ohOn the path never leading home
Cut it out from my flesh and bone
And I feel like I can't see anythingTake you out never bring you back again (back again x2)
Can't recall how we lost our innocence (innocence x2)Nothing in the cage of my ribcage
Got no heart to break, like it that way
Nothing in the cage of my ribcage
Emptiness is safe, keep it that wayOh oh oh oh oh oh oh oh oh
Used to be, I had light
I had fire in my chest
Oh but now, I'm all out
And I've got nothing left
Nothing in the cage of my ribcage
Got no heart to break, I like it that way
Nothing in the cage of my ribcage
Emptiness is safe, keep it that way
Nothing in the cage of my ribcage
Got no heart to break, I like it that way
Nothing in the cage of my ribcage
Emptiness is safe, keep it that way
Oh oh oh oh oh oh oh oh
