

How Bad Do You Want It?

Don Henley

You're leavin' tongue marks on the carpet
And I know what you're lookin' at
You would walk on your lips through busted glass
If you could get next to that You think this is love
Your education starts today
So you think this is love?
So tell me
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough
So you put a hold on happiness
...a day, a week, a year
You got to bring somethin' to this party, boy
If you party here And if you're lookin' for love
You better look some other way
If you're lookin' for love
I have to ask yah
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough She gave you love and affection
Enough to weather any season now,
You found an excuse to walk away
But you didn't find no reason
And you talk about love
But you don't know what it means
Yeah, you talk about love
So tell me
How bad do you want it?
How bad do you want it?
How bad do you want it?
Not bad enough Not bad enough
How bad
How bad
How bad
How bad
B B B B- bad enough
How bad
How bad
How bad

How bad
