Writing's On the Wall

Sam Smith

I've been here before
But always hit the floor
I've spent a lifetime running
And I always get away
But with you I'm feeling something
That makes me want to stayI'm prepared for this
I never shoot to miss
But I feel like a storm is coming
If I'm gonna make it through the day
Then there's no more use in running
This is something I gotta face
If I risk it all
Could you break my fall?How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wallA million shards of glass
That haunt me from my past
As the stars begin to gather
And the light begins to fade
When all hope begins to shatter
Know that I won't be afraidIf I risk it all
Could you break my fall?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wallThe writing's on the wallHow do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
Cause the writing's on the wall
