What a Wonderful World (feat. Mark Knopfler)

Chris Botti

I see trees of green, red roses too
I see em bloom, for me and for you
And I think to myself
What a wonderful worldI see skies of blue, clouds of white
Bright blessed days, dark sacred nights
And I think to myself
What a wonderful worldThe colors of a rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, sayin how do you do
They're really sayin I love you
I hear babies cry,I watch them grow
They'll learn much more, than I'll never know
And I think to myself
What a wonderful world
The colors of a rainbow, so pretty in the sky
Are there on the faces of people going by
I see friends shaking hands, sayin.. how do you do
They're really sayin
Oh I love you
I hear babies cry, I watch them grow
they learn much more than I'll never know)
And I think to myself
What a wonderful world
Yes I think to myself
What a wonderful worldWhat a wonderful world
