The Tracks of My Tears

Smokey Robinson & The Miracles

People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blueSo take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace

The tracks of my tearsI need you, need youSince you left me if you see me with another girl

Seeming like I'm having fun

Although she may be cute, she's just a substitute

Because you're the permanent one

So take a good look at my face

You'll see my smile looks out of place

Yeah, look a little bit closer and it's easy to trace

The tracks of my tearsI need you, need youOutside I'm masquerading

Inside my hope is fading

Just a clown ooh yeah since you put me down

My smile is my make up

I wear since my break up with youBaby take a good look at my face

You'll see my smile looks out of place

Yeah just look closer, it's easy to trace

The tracks of my tears baby, baby baby baby

Take a good look at my face

Yeah you'll see my smile looks out of place

Look little bit closer, it's easy to trace

The tracks of my tears
