Amber Alert

Bali Baby

[Intro]
Be on alert like your name Amber
Muah![Hook]
I'm moving fast, just like a panther
Not talking money? I cannot answer
Making money so you know they can't stand her
She moving dirty, like she a dancer
My lyrics breaded, like it's some cancer
Be on alert, like your name Amber
Your nigga broke, bitch raise up your standards
She hopping around, like she is a prancer
I'm moving fast, just like a panther
Not talking money? I cannot answer
Making money so you know they can't stand her
She moving dirty, like she a dancer
My lyrics breaded, like it's some cancer
Be on alert, like your name Amber
Your nigga broke, bitch raise up your standards
Hopping around, like you is a prancer
[Verse 1]
They asking me, am I illegal?
Water dripping on my shit, it's a seagull
Crushing bitches, cause these bitches is beetles
Rap on a track, they say my shit lethal
Taking your chance, just like a free throw
Empty the clip, then you gon' reload
Bitches pockets empty, sitting on zero
These bitches actors like they work at regal
Little bitch, I got the power, I am the man of the hour
First I am sweet, then I'm sour
I'm going stupid, I can't go to Howard
You running off, little bitch, you a coward
Plucking you off, like you is a flower
My money tall like a tower
I'm screaming pussy is power!
I lay 'em dead, and I'm making money, by the hour
Yeah you heard me!
