S1mba ft. KSI - Loose Lyrics(RELYT)I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
YeahI'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah, I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah
Ooh la la, I said I'm tryna get richy
Ooh, mama, I know you tryna get iffy
On my line, now she tryna get with me
No time because I'm tryna make a milli'
What a day, when there's cookie in the oven, mayonnaise
I know she know me, but she askin' for my name
Bring my ooze out, mami, tryna celebrate
My boy a hooter and he ain't afraid to aim
Shorty wanna catch me in the heat inna the moment
Tellin' me she got a crazy plan, I'm all for it
Says she got a man but you know I might ignore it
Fuck all the chat, man, I'm tryna get pourin'
Snorin', eh, sleepin' on your nigga so borin' (Lame)
And we ain't gonna stop until the mornin'
So what? You thinkin' you can come and just join in?
I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah, I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
YeahI don't know how I ended up here but I'm tryna get litty ah-ah
I feel rich so I'm gettin' more drinks flowin', tryna get lit oh-na-na-na

So loose, not a shoe-lace (Ay-ay)
Grey Goose, add it with the Ace (Ay-ay)
Let the people know from this pack of lies
You might hear mi ballin' like we tacklers
My life crazy, need a whole movie
Man, it's hazy, drinkin' that Louis
Cognac ting
If dey wanna burn it, den bun dat ting
Long long list of dey wantin' to be me
Long long wrist with the Roleys and PPs (Long long)
I don't wanna talk too much
But I'm a winner, ain't no badder man than meI'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah, I'm feeling loose
True say, man, I'm in the mood
I be sippin' on gin and juice
I'm so gone, man, I'm duckin' this Goose
Yeah
