If We Ever Meet Again (feat. Katy Perry)

Timbaland

What's somebody like you doing in a place like this?
Say, did you come alone or did you bring all your friends?
Say, what's your name, what you drinking?
I think I know what you're thinking
Baby what's your sign, tell me yours I'll tell you mine
Say, what's somebody like you doing in a place like this?I'll never be the same
if we ever meet again
Won't let you get away
say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
If we ever meet again
say if we ever meet againDo you come here much? I swear I've seen your face before
Hope you don't see me flash, but I can't help but want you more, more
Baby tell me what's your story
I ain't shy, don't you worry
I'm flirting with my eyes, wanna leave with you tonightSo do you come here much, I gotta see your face some more, some more
Coz baby II'll never be the same
if we ever meet again
Won't let you get away
say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me goI'll never be the same
If we ever meet again
say if we ever meet again
If we ever meet again
I'll have so much more to say
(if we ever meet again)
If we ever meet again
I won't let you go away
(said if we ever meet again)
If we ever meet againI'll have so much more to say
(say if we ever meet again)
If we ever meet again
I won't let you go awayI'll never be the same
if we ever meet again
Won't let you get away
say, if we ever meet againThis free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same

If we ever meet again
say if we ever meet againI'll never be the same
if we ever meet again
Won't let you get away
say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
If we ever meet again
say if we ever meet again
