Hopeless (feat. Cashmere Cat)

Halsey

Boy, you make it look so easy
Promise that I'm gonna call you back in five
Sorry baby girl, but I can't tonight, oh
Boy, you make it look so simple, mh
Yeah, I've known that girl for like my whole life
Back in my hotel and I'm alone inside, oh'Cause you know the truth hurts
But secrets kill
Can't help thinkin' that I love it still
Still here, there must be something real
'Cause you know the good die young
But so did this
And so it must be better than I think it isGimme those eyes, it's easy to forgive
Oh, oh, oh
Oh, oh
Oh, oh, oh
Oh, oh
Oh, oh
Oh, ohOh, oh, oh, oh
Oh, ohYou and all your friends all hate me, oh
Thinkin' that you're better when I'm not around
Hear me on the radio and turn it down, ohI can't help the way you made me
Hope that she believin' in the truth you found
Thinkin' that you want us 'cause I can't find out, oh'Cause you know the truth hurts
But secrets kill
Can't help thinkin' that I love it still
Still here, there must be something real
'Cause you know the good die young
But so did this
And so it must be better than I think it is
Gimme those eyes, it's easy to forgive(Oh, oh, oh)
(Oh, oh)
(Oh, oh, oh)
I hope hopeless
(Oh, oh)
Changes over time
(Oh, oh)
I hope hopeless
(Oh, oh)
Changes over time
(Oh, oh)
I hope hopeless
(Oh, oh, oh, oh)

Changes over time
(Oh, oh)
