Wild Horses

Natasha Bedingfield

OhI feel these four walls closing in
Face up against the glass
Looking at him
Is this my life I'm wondering
It happened so fast
How do I turn this thing around
Is this the bed I chose to make
It's greener pastures I'm thinking about
Wide open spaces far awayAll I want is
The wind in my hair
To face the fear but
Not feel scared
Wild horses
I wanna be like you
Throwing caution to the wind
I'll run free too
Wish I could recklessly love
Like I'm longing to
I wanna run with the wild horses
Run with the wild horsesAah yeah
Oh ohI see the girl I wanna be
Riding bareback
Carefree along the shore
If only that someone was me
Jumping headfirst
Headlong without a thought
To act and damn the consequence
How I wish it could be that easy
But fear surrounds me like a fence
I wanna break free
All I want is
The wind in my hair
To face the fear but
Not feel scaredOh wild horses
I wanna be like you
Throwing caution to the wind
I'll run free too
Wish I could recklessly love
Like I'm longing to
I wanna run with the wild horses
Run with the wild horsesOhI wanna run too
Oh

Recklessly abandoning myself before you
I wanna open up my heart
Tell him how I feelOoh wild horses
I wanna be like you
Throwing caution to the wind
I'll run free too
Wish I could recklessly love
Like I'm longing to
I wanna run with the wild horses
Run with the wild horses
Run with the wild horses
Oh yeah yeah oh oh
I wanna run with the wild horses
Oh
