Write Our Names (feat. Post Malone)

Moxie Raia

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Maybe I don't know a thing
Maybe I know everything
Maybe the stuff they're teaching us is wrong
Maybe if the grass was blue
Maybe if the sky was green
We could see that everything we
Yeah we're making it easy
Yeah there ain't no doubt
No money can buy this feeling
Nobody can turn us out
Calling all the renegades
All night long all 7 days
Point the lense we're wide awake
All around the world we're gonna write our names
In the name of love we pray
Feeling all the energy
Sing it, let it ricochet
All around the world we're gonna write our names
Na-na-na-na-na-na-na
Na-na-na-na-na-na-na
Na-na-na-na-na-na-na
Maybe I don't see it right
Maybe I see all the light
Maybe all the things they're showing us are keeping us blind
Do we have to take a right?
Move into the other side?
Sometimes I just wonder will we wake up fore we die?
Yeah we're making it easy
Yeah there ain't no doubt
No money can buy this feeling
Nobody can turn us out
Calling all the renegades
All night long all 7 days
Point the lense we're wide awake
All around the world we're gonna write our names
In the name of love we pray

Feeling all the energy
Sing it, let it ricochet
All around the world we're gonna write our names
What you drinking renegade?
Sipping whiskey, gotta get it anyway
Keep it down when the motherfking people showing up the way I stay
Oh no, the whole city just called my line
I just gotta get what's motherfking mine, one life yo
Run up bands so quick, put that on my life
My life, my life
