Xxx's and Ooo's (An American Girl)

Trisha Yearwood

Phone rings baby cries TV diet guru lies
Good mornin' honey
Go to work make up try to keep the balance up
Between love and money
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her Momma in heels and pearls
She's trying to make in her Daddy's world
An American girl
An American girl
Slow dance second chance Momma needs romance
And a live in maid
Fix the sink, mow the yard, really isn't all that hard
If you get paidShe used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her Momma in heels and pearls
She's trying to make in her Daddy's world
An American girl
An American girlWell she's got her God and she's got good wine
Aretha Franklin and Patsy Cline
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her Momma in heels and pearls
She's gonna make it in her Daddy's world
An American girl
An American girl
