

Shut Up Train

Little Big Town

Shut up train I'm trying to sleep
Can't you show me a little sympathy
This is the only time I can get any peace
So shut up train I'm tryin to sleep Every time the front door shakes
Every time I hear the breaks
And that long whistle cryin through the night
I'm reminded of the way I feel
Just like that cold black steel
Gettin crushed by your wheels tonight
I don't need no more pain so shut up train
I hope you're happy now I am wide awake
Now I gotta deal with every ounce of this heartache
While your moving on I'm stuck in this place
It's all your fault so shut up train Every time the front door shakes
Every time I hear the breaks
And that long whistle cryin through the night
I'm reminded of the way I feel
Just like that cold black steal
Gettin crushed by your wheels tonight
I can't take no more pain so shut up train Shut up train stop rubbin it in
You've made your point
I give up you win
You win
All the noise all the pain every night same ole thing
(Go on)
Why don't you shut up train go on shut up train
(Go on)
I give up I give in raise the flag let you win
(Go on)
Why don't you shut up train go on and shut up train
(Go on)
Oh shut up train
(Go on) Shut up train
