Broken (feat. Jessie Reyez)

THEY.

[Verse 1: Jessie Reyez]
We fall in love, you does the most
But I question it all 'cause I'm still broken
He gets tired, then he leaves
Then I cry and I repeat
Fall in love again, fuck it up again
There's still the affect I cry
Better being friends to avoid the pain
I say I'm okay, I'm not[Pre-Chorus: Jessie Reyez]
It's always the same
It's like I'm lookin' for someone to save me
Someone to blame
So I can cry and ask you why'd you break me?
[Chorus: Jessie Reyez]
And now you say I didn't come broken
And now you say you did it
And now you say I didn't come broken (broken)[Verse 2: THEY.]
We fall in love, I do the most
You question it all 'cause you still broken
I give you space, let you breathe
Flip it on me then it repeats
I'm still up again, dissed you off again
Give you love, this what I got
Dissed me off again, acting out again
Think it's okay, well it's not[Chorus: Jessie Reyez & THEY.]
It's always the same
It's like I'm lookin' for someone to save me
Someone to blame
So I can cry and ask you why'd you break me?
[Pre-Chorus: Jessie Reyez & THEY.]
And now you say I didn't come broken
And now you say you did it
And now you say I didn't come broken (broken)And now you say I didn't come broken
And now you say you did it
And now you say I didn't come broken (broken)
