Jump Rope, Spray Water

Bad Acid Trip

Alright LA Sports Arena, are you ready to rock?
Well Then lets goooooo!
Hello all you little fans. Hello all you little kids
Hello all you little dupes. My children
Hello all you little fans. Hello all you little consumers
Before you see the band there's something
You must always remember to do
Check your wallet, check your funds,
And make sure youve got enough cash
Cuz it's not about expression and it's not about art
Its all about make those big dollars
Watching puppets...
Always remember to buy please
Remember to buy
Before you see the band there's something
that you must always remember to do
Check your wallet, check your funds,
Make sure youve got enough cash
Its not about expression and it's not about art
Its all about making those big dollars
You don't care about what we say.
You care less about how we play
All you care about is how you feel
Another anthem for you when you murder and cheat,
Lie and steal
Screaming cuz were fucking pissed
Weve got a lot to fucking say. Talking gets us nowhere
Gonna try another way and keep on fighting
Until you hear what we say
Lets go to the mall so that we can shop at Hot Topic
Practice our moshing and maybe some spinning kicks
Its written on a patch right next to the one that says
Fuck the system
Anarchy through hair dye,
Punk rocks just a fashion rebellion
You don't care about what we say.
You care less about what we play
All you care about is how you feel
Another anthem for you for when you murder and cheat,
Lie and steal
Screaming cuz were fucking pissed.
Weve got a lot to fucking say

Talking gets us nowhere
Gonna try another way and keep on fighting
Until you hear what we say
Were the puppets, were the puppets,
Were the puppets, Playing jumprope
Were the puppets, were the puppets,
Were the puppetsSpraying water.
Were the puppets, were the puppets,
Were the puppets, Playing jumprope
Were the puppets, were the puppets,
Were the puppetsSpraying water.
