

Don't Let Me Down (feat. Khalid)

Sabrina Claudio

[Verse 1: Sabrina Claudio]

Do you feel me here

Giving you love

Do you see me here

Opening up[Pre-Chorus: Sabrina Claudio]

No one's ever gotten to this point

Where we go from here is all your choice[Chorus: Sabrina Claudio]

Don't let me down aseme un petardo mamarrachon

I told you things about me

Don't let me down

I let you put your arms around me

'Cause love is a waste of time if you and I don't do this right

Don't let me down

And I'll keep you around

[Verse 2: Khalid]

Can I trust in you

If I give you myself

You're the first to know

And I've had much to tell[Pre-Chorus: Both & Sabrina Claudio]

No one's ever gotten to this point (No one's ever gotten, no one's ever gotten)

Where we go from here is all your choice[Chorus: Both & Sabrina Claudio]

Don't let me down (don't let me down)

I told you things about me

Don't let me down (don't let me down)

I let you put your arms around me

'Cause love is a waste of time if you and I don't do this right

Don't let me down (don't let me down)

And I'll keep you around (hey, yeah yeah)

[Outro: Sabrina Claudio & Khalid]

Don't let me down, no

Don't let me (yeah)

Don't let me down, no

Don't let me (hey, yeah yeah)
