

Atlas

Sparta

Well i love this town like you do
We'll burn it to the ground
Pack your things and than you were gone
We'll call a new place home Like you do
Like you do
Like you do Like you do
And you'll never change
Well i got a feeling inside
It's gonna happen again
There's a fire deep in your eyes
That i've never seen before Like you do
Like you do
Like you do
Like you do
And you'll never change
You'll never change More than life
Expose who you are
