

Let's Have a Party

Wanda Jackson

Let's Have A Party

Wanda Jackson with instrumental backup by Gene Vincent's Blue Caps. Peaked at # 37 in 1960

Some people like to rock, some people like to roll

But movin' and a-groovin's gonna satisfy my soul

Let's have a party

Hoo, let's have a party

Well, send `im to the store Let's buy some more

Let's have a party tonight I never kissed a bear, I never kissed a *`coon*

But I can shake a chicken in the middle of the room

Let's have a party

Hoo, let's have a party

Well, send `im to the store Let's buy some more

Let's have a party tonight

I never kissed a bear, I never kissed a goon (?)

But I can shake a chicken in the middle of the room

Let's have a party

Hoo, let's have a party

Well, send `im to the store Let's buy some more

Let's have a party tonight Honky-Tonky' Joe is knockin' at the door

Bring him in an' fill `im up an' sit `im on the floor

Let's have a party

Hoo, let's have a party

Well, send `im to the store Let's buy some more

Let's have a party tonight The meat is on the stove, the bread's a-gettin' hot

Everybody run, they got the `possum in the pot

Let's have a party

Hoo, let's have a party

Well, send `im to the store Let's buy some more

Let's have a party tonight

Let's have a party tonight

Let's have a party tonight

FADE

We're gonna have a party tonight

TRANSCRIBER'S NOTE: The word "'coon" is a guess because it is really hard to understand. The word does have a long-O sound which is fairly close to rhyming with the subsequent "room". Plus there are 2 other animals mentioned, a bear and a `possum", so why not a raccoon, too?
