

Let's Go All the Way

Sly Fox

Sitting with the thinker
Just trying to work it out
It's a traffic jam of the brain
Makes you want to scream and shout Presidential party
No one wants to dance
Looking for a new star
To put you in a trance Let's go all the way
Let's go all the way
(Yeah yeah yeah yeah yeah)
Let's go all the way Workin' in a factory
Eight days a week
Tryin' to make dollar
Down what a beat
Cartoon capers
Happen in reality
Rich man poor man
Livin' in fantasy Let's go all the way
Let's go all the way
(Ohh ohh ohh)
Let's go all the way (Yeah yeah yeah) Livin' in New York
Looks like an apple core (apple core)
Asphalt jungle
Got to be a man-of-war California dreamers
Sinkin' in the sand (the sand the sand)
The Hollywood squares are
Living in Disneyland
(Wheee ahhhhhh)
Let's go all the way
(Let's go all the way)
Let's go all the way
(Let's go all the way)
(Ahh ahh ahh)
Let's go all the way Let's go all the way
Let's go all the way
Let's go all the way
We need heaven on earth today
(Ahh ahh ahhhh)
We can make a better way
Let's go all the way
Go all the way
Let's go all the way
(Yeah)

Na na na na (till fade)
