Too Much To Ask

Niall Horan

[Verse 1]

Waiting here for someone

Only yesterday we were on the run

You smile back at me and your face lit up the sun

Now I'm waiting here for someone[Pre-Chorus 1]

And oh, love, do you feel this rough? Why's it only you I'm thinking of [Chorus]

My shadow's dancing

Without you for the first time

My heart is hoping

You'll walk right in tonight

Tell me there are things that you regret

'Cause if I'm being honest I ain't over you yet

It's all I'm asking

Is it too much to ask?

Is it too much to ask?

[Verse 2]

Someone's moving outside

The lights come on and down the drive

I forget you're not here when I close my eyes

Do you still think of me sometimes?[Pre-Chorus 2]

And oh, love, watch the sun coming up

Don't it feel fucked up we're not in love[Chorus]

My shadow's dancing

Without you for the first time

My heart is hoping

You'll walk right in tonight

Tell me there are things that you regret

'Cause if I'm being honest I ain't over you yet

It's all I'm asking

Is it too much to ask?

[Bridge]

My shadow's dancing

Without you for the first time

My heart is hoping

You'll walk right in tonight

Tell me there are things that you regret

'Cause if I'm being honest I ain't over you yet[Chorus]

My shadow's dancing

Without you for the first time

My heart is hoping

You'll walk right in tonight

Tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
It's all I'm asking
Is it too much to ask?[Outro]
It's all I'm asking
Is it too much to ask?
It's all I'm asking
Is it too much to ask?
