

# Bring You Down (feat. George Maple)

Flume

Hush now, you're standing on the lime light.  
Trying not to, can't wait to explode, oh oh.  
Hush now, your lies cannot find me.  
Keep your wits about, don't let it bring you down. Don't let it bring you down. How can we just  
start to so can you.  
I see you on the phone, you lazy.  
Your head is on a fly.  
And it's only a matter of time before we have to get ready, ready, ready. Don't let it bring you  
down. Hush now, you're standing on the lime light.  
Trying not to, can't wait to explode, oh oh.  
Hush now, your lies cannot find me.  
Keep your wits about, don't let it bring you down. I'll never let go. Don't be afraid to be too late,  
this time.  
Don't let it bring you down.
