

# No Apology

## Believer

[K. Bachman / J. Daub / J. Winters / D. Mann / D. Baddorf]No more will I regress backward  
From what which I believe  
I owe no man an explanation  
Expect no apologyLogic defends age old prophecies  
Christ's life, death and resurrection  
Proof of absolute deity  
Expect no apologyNot one regret  
ImpenitentNo more will I regress backward  
From that which I believe  
I owe no man an explanation  
Expect no apology  
Not one regret  
Impenitent
