

# All Too Well

Taylor Swift

I walked through the door with you the air was cold  
But something about it felt like home somehow  
And I left my scarf there at your sister's house  
And you still got it in your drawer, even now Oh, your sweet disposition and my wide-eyed gaze  
We're singing in the car getting lost upstate  
Autumn leaves falling down like pieces into place  
And I can picture it after all these days And I know it's long gone and that magic's not here no  
more  
And I might be okay but I'm not fine at all 'Cause there we are again on that little town street  
You almost ran the red 'cause you were looking over me  
Wind in my hair, I was there, I remember it all too well Photo album on the counter  
Your cheeks were turning red  
You used to be a little kid with glasses in a twin-sized bed  
And your mother's telling stories 'bout you on the tee ball team  
You taught me about your past thinking your future was me  
And I know it's long gone and  
there was nothing else I could do  
And I forget about you long enough  
to forget why I needed to 'Cause there we are again in the middle of the night  
We're dancing 'round the kitchen in the refrigerator light  
Down the stairs, I was there, I remember it all too well  
Yeah And maybe we got lost in translation  
Maybe I asked for too much  
But maybe this thing was a masterpiece  
'til you tore it all up  
Running scared, I was there, I remember it all too well  
And you call me up again just to break me like a promise  
So casually cruel in the name of being honest  
I'm a crumpled up piece of paper lying here  
'Cause I remember it all, all, all too well  
Time won't fly, it's like I'm paralyzed by it  
I'd like to be my old self again  
but I'm still trying to find it  
After plaid shirt days and nights when you made me your own  
Now you mail back my things and I walk home alone  
But you keep my old scarf from that very first week  
'Cause it reminds you of innocence and it smells like me  
You can't get rid of it 'cause you remember it all too well  
Yeah 'Cause there we are again when I loved you so  
Back before you lost the one real thing you've ever known  
It was rare, I was there, I remember it all too well Wind in my hair, you were there, you  
remember it all

Down the stairs, you were there, 'cause you remember it all  
It was rare, I was there, I remember it all too well
